

cell.h

```
graph TD; cell_h[cell.h] --> renderable_h[renderable.h];
```

A diagram showing a dependency relationship between two header files. At the top is a gray rectangular box labeled 'cell.h'. A blue arrow points vertically downwards from the bottom center of this box to the top center of a white rectangular box labeled 'renderable.h' below it. Both boxes have a black border.

renderable.h
